WEDNESDAY EVENING, AUGUST 3.

GERMAN CATHOLIC COUNCIL.-An invitation has been issued to all the German-American Catholics to meet at Chicago September 6th. There was a meeting of about forty Catholic priests there a few weeks ago, at which it was decided to issue the call for the convention. These national Catholic conventions (Katholikentage) are an old custom in Germany, but the one held next Sep-tember will be the first one in the United States. The objects of the convention will be, it is said, a consideration of the differ-ences existing between the German and Irish Catholics. It has often been the complaint Catholics. It has often been the complaint of German Catholics in this country that they are neglected, or even intentionally slighted by the highest dignitaries of the church. Complaint has been made at Rome, and the Propaganda has recently decided that the German Catholics in the United States must be treated as equal to the Light. The chieft of the convention is the Irish. The object of the convention is to demonstrate the strength of the German Catholics and take steps to secure recogni tion. It is claimed that there are about two million German Catholics in the United States. In respect to the cultivation of the German language in the schools and the church, the convention will not advance any new demands. It is also intended that the convention shall take some position with reference to the labor problem, to encourage respectable organizations of labor-ers, and keep them from dangerous influ-

Dr. Pierce's "Favorite Prescription" perfectly and permanently cures those diseases peculiar to females. It is tonic and nervine, effectually allaying and curing those sicken-ing sensations that affect the stomach and heart, through reflex action. The backache and "dragging down" sensations all disappear under the strengthening effects of this great restorative. By druggists.

ADVICE TO MOTHERS.

MRS. WINSLOW'S SOOTHING SYRUP, for children teething, is the prescription of one of the best female nurses and physicians in the United States, and has been used for forty years with never-failing success by millions of mothers for their children. During the process of teething its value is incalculable. It relieves the child from pain, cures dysentery and diarrhea, griping in the bowels, and wind-colic. By giving health to the child it rasts the mother. Price 25 cents a bottle.

The GAZETTE has better facilities for ab taining news than any paper outside of the national capital. Situated as it is so close to the great centre of news, it enjoys daily the benefit of the Associated Press dispatches from every part of the world : hence its patrons can read from its columns in the evening what has transpired that day in every portion of our own domain as well as from every part of the habitable globe. Consequently it is an every day occurrence for the GAZETTE to publish telegrams from the various European capitals twelve and fifteen hours earlier than the morning pa-

Another feature that serves to make the GAZETTE a great desideratum with mer chants is its afternoon market reports from New York, Baltimore, Chicago and other

The local department furnishes a full and complete history of everything that occurs n and near the city, and this feature will. as ever, receive careful attention.

Correspondence from Washington, Rich mond and every section of the State, is published regularly, and all events of interest occurring within the bounds of the Commonwealth are to be found in the columns of the GAZETTE.

The GAZETTE's circulation is steadily in creasing, especially among people who consult its advertising columns before purchasing. That this is self-evident may be inferred from the fact that a large country edition—nearly as large as the daily—is sent all over this section of country three times a week, and is read by thousands, most of whom send here or to contiguous cities to make purchases. The advantages of advertising in the GAZETTE are, therefore, ap-
